## Centerfield Provides Financing to SCT, Inc.

October 17, 2007

Indianapolis, IN – Centerfield Capital Partners announced today it has invested in SCT, Inc., a leading provider of customizable and pre-programmed engine tuning devices sold in the automotive aftermarket.

Based in Longwood, Florida, SCT's products modify a vehicle's on-board computer settings, which control the engine and transmission, in a process called "flashing". These changes, which can be fully customized, result in significantly increased horsepower and torque, as well as improved fuel economy, towing performance and vehicle responsiveness. Centerfield provided subordinated debt and equity in partnership with Tillery Capital and the management team to finance the acquisition of SCT. Centerfield also arranged the senior financing for the transaction, provided by Fifth Third Bank. The investment is Centerfield's fifth in 2007.
