FLEXIBLE JUNIOR CAPITAL

Centerfield works closely with equity sponsors, independent sponsors, business owners, and management teams who seek subordinated debt and equity financing to build companies and create value. We provide tailored financing solutions to effect leveraged buyouts, recapitalizations, add-on acquisitions, and growth. Our team invests alongside partners grounded in shared values to transform businesses. This approach has been the foundation of our record of success.

TRUSTED PARTNER AND EXPERIENCED INVESTOR

For over two decades, Centerfield has had an unwavering commitment to the lower middle market. We are seasoned professionals with multiple years of investing experience. Centerfield has invested in over 100 companies through various economic cycles, remaining steadfast even during challenging times. While based in the Midwest, we invest nationally and have broad industry experience.

HOLISTIC FINANCING SOLUTIONS

We are currently investing from our fourth fund, totaling \$335 million. Our check size ranges from \$7 to \$25 million. Centerfield’s fund structure maximizes flexibility. Along with our subordinated debt, we can provide sizable equity co-investments. We can also offer a one-stop solution by soliciting senior financing proposals from our Bank LP network who invest in our funds.
